

Thamesmead Community Fund - Panel Application

The Thamesmead Community Fund (TMCF) supports local community and creative projects with microgrants from £200 to £3,000. The aim of the fund is to give groups and individuals the chance to run projects that benefit the people of Thamesmead. The TMCF is funded by Peabody and administered by the London Community Fund.

The money for the fund comes from income generated by location filming in Thamesmead as well as a contribution from the Peabody Community Foundation. This year, for the first time, the Making Space for Nature Fund will form part of the TMCF – providing funding to individuals and groups who want to transform Thamesmead's green spaces and help people engage with nature. The Connecting Thamesmead programme, which aims to bring people together to improve health and wellbeing, is also joining the fund.

Decisions on the applications are made by a panel of Thamesmead residents. To ensure that more local people have the chance to be part of the TMCF decision-making panel, we are inviting Thamesmead residents to apply for a position for 2024/2025.

If you wish to apply please fill in this short survey by Monday, 6 May 2024.
